Product Name	Transparent Mask AMS-001-T	
	Product Group	transparent Mask
	Product Keyword	Transparent Mask,anti-saliva,mask,reusable,sanitary mask
	Product Model	AMS-001-T
	Product Origin	TW
	Brand	ANTEX
	Competitive Advantages	Well and High Quality Control , New Product , Customer's Design and Logo are Welcome , Competitive Prices , Fit for Gifts and Premiums , Earth-friendly Products , In a Variety of Design , Small Order Acceptable , ODM Accepted , OEM Accepted
	Sales Method	Export , Manufacture , Wholesale , OEM/ODM , Service
	Payment Term	T/T , L/C
	Delivery Way Port	keelung
	Mininum Order	
	The new transparent mask is elaborately designed based on facial features, and has a certain space between the nose and mouth, so that the wearer can breathe smoothly. mask is made of transparent, non-toxic, tasteless food-grade materials that are environment-friendly, and has good looks and lightweight, and is easy to wear, and can be repeatedly used after being cleaned and disinfected at any time, it is an affordable and comfortable product to wear and easy to carry. HT mask not only effectively separates a variety of invisible pathogens and harmful bacteria, but also abandons the traditional gauze masks with many shortcomings.

<p>Product Specifications /Features</p> <ol style="list-style-type: none"> 1. Developed using Bernoulli's principle in fluid dynamics, essential oil particles are dispersed into small molecules and distributed evenly into the atmosphere. 2. Glass nozzle reduces essential oil oxidation. 3. Uses extra power-saving, noiseless and powerful air pump to create ample fog. Enables oil fragrance to distribute rapidly amid a sense of tranquility. 4. No need for heating of essential oil, prevents deterioration through oxidation. Risk of emulsification removes the need for adding water. No adding of vegetable oil provides safer ionization of essential oil. 5. Preserve active ingredients of essential oil in the atmosphere. 6. Variety of models for varying customer needs. 7. Car essential oil pump: classy elegant appearance does not take up space. Large fog creation, comes with transformer and car adaptor for carefree carriage and usage in cars or indoors. After two minutes of functioning, power supply will be interrupted for a minute.
